Alberto Bernal
Chief of Strategy at XP
Investments

Alberto J. Bernal-León is Chief EM and Global Strategist at XP Investments. Previously he was Head of Research and partner at Bulltick, LLC, MD of Emerging Fixed Income Research at Bear Stearns Inc. in New York City, and Head of Latin America Economic Research at IDEAglobal Inc., also in New York City.

Mr. Bernal is a frequent contributor to major newswires, local press in Latin America, prominent world newspapers, and is a frequent contributor on financial television networks. He has also been invited to participate as a panelist on a series of official, economic, and academic events around the world.

Mr. Bernal was named the most accurate economist of Colombia in 2006 by Revista Dinero, one of the top five future economists of Colombia by the newspaper La República, one of the future top 40 executives under 40 years by the Latin American publication Revista Poder, one of the top ten regional minds by the IADB, and one of 100 Latin America leaders under 40 by the Revista Gerente. He is a research scholar for Columbia University's Chazen Institute and holds a Master's Degree in Macroeconomics from Germany's Kiel Institute of World Economics. He received his Honors Bachelor of Science Degree in Economics from the University of New Orleans. Mr. Bernal is a columnist for LatinTrade Magazine, El Mercurio, and the Colombian business newspaper La Republica. Mr. Bernal is also an Adjunct Professor of the Business School of the University of Miami. In late 2018 Mr. Bernal was invited to be part of a group of five local and international pundits which will be part of the financial markets reform commission, one that will present the Colombian government with a blueprint on how to improve the efficiency of the local debt and equity markets.

Yossi Vardi
Angel Investor / Community
Builder

Yossi Vardi is chairman of International Technologies, which is engaged in private hi-tech investments for its own account. He is one of Israel's hi-tech veterans, with 37 years of founding and helping build some 40 hi tech companies in Internet, software, telecommunications, electro-optics, energy, environment and other areas. Several companies Vardi co-founded became successful public companies, among them Alon — Israel's largest energy company, Advanced Technologies (Tekem — which was at a time the largest software company in Israel), International Technologies (Lasers), and Granite Hacarmel. Vardi backed some of Israel's leading Internet companies.

He is the founding investor and the former chairman of Mirabilis Ltd, the creator of the highly popular instant messaging program ICQ which pioneered the Internet-wide instant messaging phenomena, making it one of the most successful and popular Internet products of all times. He is an advisor on Middle-Eastern economic affairs to the Council of Presidents of Major Jewish Organizations in the U.S, and serves on the board of governors of the Weitzman Institute.

He is a member of the World Economic Forum. He is the chairman emeritus of the Jerusalem Foundation. He served on the Boards of Directors and as advisor of a number of major companies. Among them, Amazon, AOL, Siemens Albis, Allied Signal, Israel Electric, Elite, Bezek (Israel's national telecommunication company), Sonol, Scitex, Oil Refineries, Haifa Chemicals, Dead Sea Works, Dead Sea Bromine, Arkia Airlines, Koor Communications, Chemicals and Phosphates, Maarive and Hamashbir Hamercazi.

Emad Abdulaziz El-Dukair
CEO
The Care Group

Dr Emad Abdulaziz El-Dukair is the founder and CEO of The Care Group, a leading player in the public-private integrated partnerships sector. He is a Senior Advisor to the Board of Directors of InterHealth Canada Ltd, as well as a member of the Advisory Board of the Commonwealth Enterprise and Investment Council. In 2008, InterHealth Canada Ltd won the Latin American Deal of the Year Award and was rated one of the top 100 PPP players in the world by KPMG. He is chairman of the Saudi-Canadian Business Council and the Co-Chair of the PPP committee of the Saudi-British Business Council.

Dr El-Dukair has helped design, build, and finance infrastructure projects in numerous countries around the world, from the Turks and Caicos to Poland. Dr El-Dukair has broad experience across a number of sectors with interests ranging from major education projects to sport and real estate, as well as co-chairing the Saudi-British Joint Business Council, Dr Emad is a member of the Royal College of Obstetricians and Gynaecologists (UK), on the Advisory Board of the Commonwealth Enterprise and Investment Council.

Wasfi Kaso
CEO Emirates Food
Industries

Food and Beverage career professional with 25 years of experience in Fast Moving Consumer Goods across hundreds of categories and segments in the food industry. A leading expertise that started with Global companies such as Pepsi, RedBull and San Pellegrino in the United Arab Emirates and continued with leadership roles in regional industry conglomerates such as IFFCO and Mezzan covering various leading regional brands across multitude of sectors. Was instrumental in launching international brands in the region, and in the development of leading regional brands that contended for market share leadership in their respective categories.

Currently as Group CEO of the largest agricultural importer and producer of aggregated Agri products in the UAE, Emirates Foods Industries leads the innovation in Animal Feed and derivatives and considered as a critical member of the UAE's food security council.

Juan Carlos Zapata
CEO Fundesa

Juan Carlos Zapada is the CEO of Fundesa, a non-profit organization created by business professionals in their individual capacity, separate from political and / or economic interests, to generate and implement projects that stimulate sustainable, economic and social development.

Juan Carlos is director of the National Competitiveness Program, in the Private Competitiveness Council, in the Political Committee of CACIF (the association of business owners), the International Private Sector Commission and currently supports the business sector to promote Competitiveness Councils at the regional level.

Juan Carlos has been a promoter of a greater food security and nutrition, cultural relevance and inputs, which allows a greater efficiency in family farming. This program has the great advantage that it can help coordinate with other Government Ministries on issues related to health, agriculture, infrastructure and development services that help generate a protection network for the individual from an early age.

Hector Cateriano
CEO MAS Equity Partners

More than 21 years of experience in private equity in emerging markets (India, Baltic States, and Latin America), along with private equity firm SEAF. One of the early promoters of the Colombian private equity industry and former President of ColCapital, the Colombian Private Equity Association. Since 2006, he led the investment efforts of the first diversified private equity fund in Colombia, Fondo Transandino Colombia (FTC), where he successfully completed the full cycle of the fund, achieving top USD tier returns for its investors.

Also, founding partner and CEO of MAS Equity Partners, a PE firm specialized in growth capital for the mid-cap segment in Andean countries, which has raised more than USD 200MM in AUM. As part of his responsibilities, he has been a member of the board and diverse committees of most of the fund's portfolio companies. Previously he served as Director for SEAF's India Growth Fund and SEAF's India International Growth Fund. He also served as Director for Estonia of SEAF's Baltic Small Equity Fund (BSEF).
